Location /

Exeter

Contract /

JCT Standard form of
contract with Contractor's
Design portion

New development on a prime two-acre site at Matford Green Business Park, Exeter, comprising of a 21,000 sq ft new build Lexus and Toyota motor dealerships for Snows Motor Group. The site is located in a well-established motor trade business park and was the first major project for Snows Group where they purchased a site purpose built for a franchise.

Key challenges/features

- / The design reflects the ability to partner with the Local Authority and connect and utilize the Local Authority's heat from waste infrastructure
- / The facilities include dedicated showrooms for each franchise, shared workshops (including MOT) and associated external parking/display
- / The development delivers all of the new European standards dictated by both Lexus and Toyota as well as achieving a minimum BREAM rating of Very Good
- / Liaison with respective Brand Guardian Architects throughout the project
- / Accommodating a new Lexus brand design change midway through the project

Rekan scope

- / Project Management / Overall project coordination/management including consultant scopes/appointments. Client/ User briefing, design management/coordination, programme/logistics/risk management. Client reporting, stakeholder management/liaison
- / Cost Management / Overall financial management including consultant appointments, cost planning, cost reporting, value engineering, contractor procurement/commercial management
- / Property Advice / building condition/dilapidation surveys, Landlord/Tenant advice, Employer's Agent role, contract administrator, Monitoring Surveying, project auditing, planned maintenance strategy
